No hard digging included.

Service location is highly recommended (Telstra, NBN, Gas, Power, Water etc.) Sometimes it is easy to see where all this enters the property and where it then enters the house or shed Etc. Ultimately it is up to the client to take on the risk as there is no comeback on us if we damage something we can't see.

Concrete type determined by size of job, location and type of fence. This is at the sole discretion of the installer and will vary the price.
